

Introduction: Today there is a feeling that Church, Altars, and Disciplines of the faith are boring and things have changed. But here is the problem with that: God's word is the most powerful Force in the Universe. God's word is so powerful that when He spoke it...it reached all the way to the end of Time with blessings and wonders and Judgment!

Text: Psalm 40:5

Outline:

I. Old Time Fire

A. Defined:

- Old time Salvation that keeps
- Old time Sanctification that convicts my soul
- Old time fire that makes me walk in the spirit, talk in the spirit, think in the spirit, move in the spirit, live in the spirit, breath in the spirit, witness in the spirit, and sing in the spirit!
- Old time tune that will cause me to pat my foot to the truth of God's word: "*Living by Faith*"

B. Kept:

- I keep that Salvation by continuing to grow in the Lord! Never becoming stale; never unconcerned with my spiritual condition.
- I keep that Sanctifying work going by staying on my knees at an altar.
- I keep that Fire burning by praying with the understanding and with the Spirit while seeking God's presence in the secret place!
- Keeping something old in a new age: **Titus 2:11-12**

II. New Time Desire

A. Defined:

- I need a new time Desire and a New time Fire!
- New time desire to get in His presence!
- New time desire to worship at His feet!
- New desire to come to church.
- New desire for His fire to fall on me!
- A new desire to show love to everybody.
- A new desire to help someone in need.
- A New desire to have His anointing operate freely on me!
- A new desire to win someone who is lost!
- A new desire to be in His house!
- A new desire to get in the alters!

- A new desire to learn a new song that helps me express my renewed appreciation and Love for Him!
- A new desire to be in the center of His will!

B. Don't Keep Religion and loose Relationship:

I don't have an old religion but a new passion for my First Love!

2 Corinthians 5:17

With Jesus: All things are new again!

Ezekiel 36:25-27

An understanding that we still serve the God who makes all things New all the time! Nothing grows old in Him but is renewed every morning!

Philippians 3:13-14

"He still working on me, to make me what I ought to be, it took Him just a week to make the moon and the stars, the sun and the earth and Jupiter and Mars. How loving and precious He must be! For He's still working on me!"
