

Introduction: Angels are bigger than life as we study them in the scriptures. They are powerful, big, and have the ability to be apart of many aspects of God's creation.

- 1. Angels are not omnipresent. They can only be at one place at a time; unlike God who can be everywhere at once. They have wings and scriptures confirms that they do fly. Some even have multiple pairs of wings.**
- 2. Angels do not get married according to scripture (Matthew 22:30).**
- 3. Angels are examples for us, not only in baring the message of Good News, Worshiping, but also in being an obedient servant. When God said go, the angels go.**
- 4. Angels carry out some of God's judgments (Like the death plague upon the Egyptians.)**
- 5. Angels patrol the earth as God's witness to observe man. (Zechariah 1:10-11)**

C. Angels Carry Out War against Demonic Forces. (Daniel 10:13; Revelation 12)

D. Angels Do not come in "for or against"... Joshua 5:13-15

God does not really come to fight but to take over; This Angel was the Commander of the Army of the Lord. God does not intend to be merely a foot soldier in our personal campaign, whatever it may be. He comes as the Lord, the Sovereign One, the supreme Commander. WE serve Him. We fight in His army. We worship at His feet, for in His presence we stand on Holy Ground. – Where God's victory is – God is! In Christ we have the victory! Our fight comes into play by staying. We must stay in Christ and fight to do so! We fight with God's word, we fight with prayer, we fight with our praise! But we also fight by obeying God's instructions.

Similar to Joseph when he received instructions from an Angel of the Lord...

Matthew 2:13-15 Obedience led to victory; Obedience led to destiny and prophecy being fulfilled! God desires the same for us when we obey!
